

God Knew My Words

*For there is not a word on my tongue, But behold, O LORD, You know it altogether –
Psalm 139:4*

Last week just before giving a presentation at the Michigan Council for Exceptional Children Conference, I read Psalm 139: 1-5. I knew that this was exactly what I needed to hear. In verse 2, we are told that God understands our thoughts from afar. I knew that the Lord understood my desire to honor Him with my presentation.

Verse 3 mentioned that God is acquainted with all our ways. He knew my shortcomings and the areas in which I might have difficulty. One of those areas is technology but when I got to the room where I was to present, a former student greeted me and offered to help. God not only knew all my ways but provided to meet my needs.

In the next verse I found the words that encouraged my heart, calmed my spirit, and gave me confidence. God was going to guide every word of my presentation. He assured me that there was not a word on my tongue that He did not know. He knew my intentions, my thoughts and the design of my communications.

God knows all about me and He will keep His hand on me (verse 6). This equally applies to you as a child of God. Regardless of your situation, you can be assured that God knows your strengths and weaknesses. He knows the thoughts and intentions of your heart. He knows the words that you speak and the activities in your life. He will have His hand on you.
