

God' Direction

In all thy ways acknowledge Him, and He shall direct thy paths.—Proverbs 3:6

It is my part to acknowledge God and His part to direct my paths. He will direct our paths if we are consulting with Him about our decisions, our thoughts, our words and our responses.

Sometimes we are tempted to have a bad attitude toward someone or something, but when we stop and acknowledge God's hand in our situation, we realize that we are acting in our own will and not allowing Him to direct our paths.

Occasionally we face a sudden crisis and we need to instantaneously stop and check with God. We pause in our mind and our spirit to acknowledge God's control in our life. We remember our partnership that allows God to direct our paths as we acknowledge His right and wisdom in the situation.

When we ask God for direction, whether in crisis or in our daily affairs, He is faithful to work all things for good. He instructs us in the way we should go. It is our responsibility to trust Him and follow. It is such a blessing that we do not have to face life's circumstances on our own. He loves us and promises to direct our paths.

I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye.—Psalm 32:8
